

Writing a competitive ERC Grant Proposal

-A Training of the FFG Academy/European and International Programmes

Target Group

Individual Researchers

Aim

This training aims to support you in the process of writing a proposal for the ERC, with a particular focus on the ERC Starting and Consolidator Grant.

Supported by case examples and exercises we will address the following topics:

- Basic principles and new developments
- Tips for a successful ERC Proposal: How do I structure the proposal? How do I present my CV and Track Record?
- Evaluation of ERC Proposals: Perspective of the ERC Executive Agency and Panel Members
- Sharing Experiences: Perspective of an ERC Grant Holder
- Wearing an Evaluator's hat

Content

Morning 9:30 am -12:30 pm

- Welcome and Introduction
- Basic Funding Principles and Updates
- Presenting the PI
- Evaluation process as seen by an ERCEA Scientific Officer
- How do I present my project?

Afternoon 1:30 pm - 5.30 pm

- Q+A session with Panel Members and Grantees
- Group work: evaluation of example proposals

From 5:30 pm Get together

Methods - Presentation, discussion, group work
